## Adelante Promotores Annual Conference *United for Healthy Communities*

Friday, August 23, 2019

8:00am - 4:30pm

Marina Village Conference Center

Mission Bay Park, 1936 Quivira Way, San Diego, CA 92109

This year we are "United for Healthy Communities." This theme focuses on the unification of Promotores and Community Health Workers (CHWs) in creating and maintaining healthy communities. How do we create healthy communities? Invest in Promotores and CHWs. Promotores and CHWs are effective in educating and linking community members to health resources and services. To create healthy communities we must create health systems that look beyond the clinic and reach individuals where they are in a way that is culturally competent to overcome barriers preventing communities from reaching their full health potential.
